

'Get Outdoors' GO! Program Landmark's Terrific Third Graders!!!

Look at what we learned during
The 2008-2009 school year!

The Perfect Beak

- ✎ Birds adapt specialized beaks to eat certain foods
- ✎ Which bird eats what food?
- ✎ Common household tools & items mimic bird beaks & food
- ✎ 6 stations for students to discover the correct foods
- ✎ Match beak to bird

River of Words Art and Poetry Contest

- ✎ Walking field trip to Struve and Watsonville Sloughs (ooh, was it cold with snow on our local mountains!)
- ✎ Poems from the River of Words Poetry Book
- ✎ Students collected visual & written "impressions" from a walk through the slough to use for poems and art work submitted to the River of Words Contest
- ✎ All students received a certificate for entering
- ✎ Winners to be announced at www.riverofwords.org

Build Your Own Watershed

- ✎ Discussions "What is a watershed?"
- ✎ Watershed models were made of Plaster of Paris in molds
- ✎ Watershed models were painted and displayed during Open House
- ✎ Models raffled at end of year
