

We All Live in a Watershed

Student Journal

2 **Learn and Grow Chart**

[Click here to watch a video of fish swimming.](#) Then, type your thoughts for what you need (save a word or two) (have a question about)

EXAMPLE

 Humans Humans need these things to live and grow	 Fish Fish need these things to live and grow
Example: food to eat	Example: bugs to eat
A safe place to live (shelter)	A safe place to hide (shelter)
Water	Water
Clothing to protect us	Rocks to hide under
Safe places to learn and play	Logs to hide under
People to play with	Water that is clear
A safe way to travel or move around	Water that is moving not too fast or not too slow
