

Saving Water, Saving Fish River Model

What did the fish do?

1 First, the river is full of water.

Draw what the fish is doing at first.

Write: How
do you feel?

2 Then, humans use water from river.

Draw what the fish is doing now.

Write: How
do you feel?

3 In the end, the river has no water.

Draw what the fish is doing in the end.

Write: How
do you feel?
